

To Whom It May Concern:

Guardians Bass Club is a youth fishing club based in the South-Central Texas area and comprised of students in 6<sup>th</sup> – 12<sup>th</sup> grade. We are a Not-For-Profit LLC, established in 2017 and registered with the Student Angler Federation (TBF Club # 7001647). We believe in the importance of introducing our youth to a world outside of their smartphones and video games. And what better way to do that than to put a fishing rod in their hands and cultivating a love for the Great Outdoors through tournament fishing?

Since our formation in 2017, we have grown from 9 to over 40 anglers and we are expecting that number will continue to grow.

Our mission is to create a sustainable competitive youth fishing program for area youth and to provide educational, skill-building and competitive opportunities for student anglers. In order to do this, we rely on the support of sponsors to help defray the cost of our program. The money we raise goes directly towards the cost of team jerseys, club tournaments, equipment, meetings, captain stipends, community events and educational programs we provide to our anglers.

In exchange for your support, your name or logo will be displayed on our team jerseys as well as on our team banner. We also actively promote our sponsors on several social media platforms. There are different levels of sponsorships to choose from and we welcome any in-kind gifts you'd like to donate.

Your support is critical to the success of our club and we thank you in advance for your consideration.

Sincerely and with gratitude,

Guardians Bass Club Student Anglers
